Monday and Tuesday, September 9-10, 2019
8:00am – 5:00pm (CST)

Course Description:

This 16-hour course will provide First Responders the information they need to take appropriate initial actions for Decontamination when Hazardous Materials spill or releases are encountered. Its scope encompasses the training as required by OSHA 29 CFR 1910.120, and NFPA 472, 1072 requirements. This class will be both lecture and hands on, Students should be prepared to perform hands on skills.

Topics of instruction include: PPE selection, Decontamination Site Selection, Decontamination of ambulatory persons, Decontamination of non-ambulatory persons, Animal Decontamination, Mass Casualty Decontamination Setting up for CBRNE Decontamination, Decontamination of Police/SWAT Members, Setting up Decontamination Tents/Trailers, and Skill sheets for NFPA 472, 1072 will be utilized for all hands on activities.

Student Criteria:

This course is open to all Emergency Management, Rescue, Environmental Response, Fire, Emergency Medical, and Law Enforcement personnel or any organization having responsibility for mitigation of a hazardous materials incident. **Familiarity with SCBA is necessary. Students will need SCBA, mask and extra air cylinder. Face shall be clean shaven in areas encountered by face mask seal.** Students must also not have any medical problems, which would preclude them from participating in hands on exercises and MUST be at least 18 years old to register for this class. Pre-requisites: Students should possess a valid Operations Certification in order to attend this class.

Special Notes:

Advance student registration is REQUIRED and must be received by **September 26, 2019** in order to participate in this course. Meals, lodging, and travel arrangements/expenses are the responsibility of the student and will NOT be reimbursed by KYEM unless otherwise noted.

Registration:

Registration application for the course can be completed using the following link:

<http://kyem.ky.gov/training/Pages/HazMat.aspx>

Students will be notified if the course is cancelled. For this reason, it is imperative that you provide accurate contact information.
